Skelly Heart lyrics

My heart's so very cold it doesn't mean i i've got no soul i got no guts i am hollow oh ohh

And i'll shoot you with arrows you overstress up my bones

Spawn you right back to the start So sing along to my skelly heart

If i was just another bone inside your head would you keen in and try to scrape

the ground the world would be a better place if i was just another bone inside your head

you could help me if i was just another bone inside your head you could help me if i was just another bone inside your head
